

# Die (v1.0)

## 1. Description

Kills the bot.

This plugin is configured and on by default. It will kill the bot until it is either configured not to start or until it is removed. This can only be done once there is some knowledge of how the system works or by reading the Quick Start Guide.

## 2. Configuration

There is no configuration available for this plugin at this time.

## 3. Commands

There are no commands for this plugin.
